

ACROSS

- 1 According to Michael Long, _____ facilitates second language acquisition (SLA) by making input more comprehensible.
- 3 Vygotsky's _____.
- 6 A behaviourist-inspired teaching method reliant upon learning through imitation: _____.
- 8 VanPatten argues that learners cannot pay attention to _____ and meaning at the same time.
- 9 Ron _____ used crossword puzzles to examine the role of awareness in SLA.
- 10 Universal grammar: _____.
- 11 According to Krashen, language _____ occurs through conscious attention to language form.
- 12 The _____ model focuses on the importance of cues that are associated with grammatical functions, for example, word order in sentences.
- 14 In the usage-based perspective the _____ with which words or word combinations are encountered is a major contributor to language acquisition.
- 15 Group work and conversational interaction are important features _____ language teaching.
- 16 Skill-learning theorists believe that SLA occurs as declarative knowledge becomes _____ knowledge.

DOWN

- 2 The _____ hypothesis states that learners do not acquire L2 features until they notice them in the input.
- 4 UG theorists are less interested in performance than in _____.
- 5 _____ feedback is thought to play an important role in the interaction hypothesis.
- 6 According to Krashen, if learners are anxious, the _____ filter can make input unavailable for acquisition.
- 7 For Krashen, a learner _____ language by being exposed to it.
- 13 The comprehensible _____ hypothesis states that language production pushes learners to process language more deeply.
