- My mark is _____

Ostrich

1. Read the text:

The ostrich is a bird, but it is different from the other birds. It can't fly but it can run!

The ostrich is a very fast runner. It can run between 48 and 80 kilometers an hour!

The ostrich is the biggest living bird in the world. A male ostrich weighs between 68 and 136 kilograms and can be 1.80 to 2.75 meters tall. Ostriches are strong and can be very dangerous. If they kick you, it really hurts!

Ostrich eggs are the largest in the world. They weigh over one kilogram. One ostrich egg equals up to 24 chicken eggs! And it takes for about two hours to boil it!

Some people think the ostrich puts its head in the sand, but it really doesn't.

The ostrich usually eats plants, but also fruit, nuts, insects, and some small animals like lizards.

There are many ostrich farms all over the world. You can visit ostrich farms all over the world. You can even visit ostrich farms in Israel too.

One of these is the Bashan Rahat Ostrich Farm.

Yoav Bashan and David Rahat started the farm in 1985. The farm is in the south of Israel, on moshav Nir Banim. You can see these interesting birds and learn more about them.

Ostriches are also popular zoo animals.
