HELP! IT'S A HURRICANE

Are you ready? Do you know what to do when a hurricane comes? It's summer and it's the hurricane season here in the USA. Do you live in the east of the country? This is the hurricane zone and you must plan what to do before a hurricane comes. You must choose a safe room in the house and have a bag ready. In the bag, you need clothes, money, a mobile phone, a torch and a radio. You must also have food and water for a week. Do you have family or friends in other cities? Sometimes you must phone your friend and move to another town to be safe. You must think what to do about your pets when you go.
