

SINGAPORE SOLVES IT

Part I.

Instructions: Match the words to their translation.

windshield •

certificate •

tax •

• impuesto

• parabrisas

• certificado

Part II.

Instructions: Listen to a resident of Singapore talks about how his city has tried to solve its traffic problems. Check True or False for each statement.

T F 

1. Motorists can't drive into the business district.

2. People need a special certificate to buy a car.

3. There are enough certificates for everyone.

4. Cars are more expensive than in North America.

5. Public transportation isn't very good.

Part III.

Discussion: Could the solutions adopted in Singapore work in your country? Why or why not?
