Narrative Essay (Story): A Bad Shopping Experience

In your class, you have been talking about shopping trips. In about **100 words**, write an **essay** about a bad shopping experience you had. You **must** use the notes below to help you.

A Bad Shopping Experience

- ***Where did it happened***
- ***What you were shopping for***
- ***What happened during the shopping trip***
- ***How did you resolve the issue***

Last weekend, I went shopping and it turned out to be bad. My family and I went to a new shopping mall that had _____. We were excited to check out the new stores and _____. Unfortunately, things didn't go as planned.

I needed to buy a new pair of sports shoes. Therefore, we headed to _____ . Inside the store it was extremely crowded. People were everywhere, and it was hard to walk through the aisles without _____. I felt very uncomfortable.

After checking out the entire store I found a design that I liked, _____, blue, and had a cool design. I asked a sales person for help to get a bigger size, but she seemed very busy and _____. We waited patiently,

but the assistant took a long time and when the assistant came back she told me that the store was out of that size. I was disappointed because _____.

However, we decided to _____ in a different store which seems less crowded as the solution. But by that time, _____. I never thought finding the right pair of sports shoes would be so difficult. This experience taught me that shopping for shoes isn't always easy. Next time, I'll try to go to a store with more choices and maybe _____ .

Complete the essay above with the given answers below.

buy some things we needed
look for another pair
they were my favourite colour
I really liked those shoes
a nearby sports shoe store to get it
shop earlier in the day when it's less crowded
told us to wait for a few minutes
bumping into someone
recently opened in our town
I had lost my excitement
