1 Hi David. I can't start my recorder.
And I have this chat show at five.
2 Well, the host is a famous teenage psychologist.
3 And the kids write anonymous questions.
4 No, it's a great show. I haven't missed a single one yet. And I have my French class at five. Help!
5 Tell me which buttons to press to get it started.
6 Come on, it's urgent.
7 The what button?
How do you spell it?
8 OK, I've found it. What now?
9 David, you saved my life. You're an angel!
10 Ugh, I've never been good at spelling, but here you are:
A - n - g - e -l. See you at school tomorrow.
