UNIT 4 FUTURE TRAVEL – LESSON 4 STORY 2

Ronnie the Robot

1 Tomo was excited about his new robot, "Ronnie."

Ronnie will help around the house, and he'll play with me.

2 Ronnie was running around the kitchen when Tomo walked in. There was food everywhere!

Here's your lunch.

Look at the mess! Slow down, Ronnie!

3 Later, Tomo asked Ronnie to go to the store to buy more rice.

First, turn right, then turn left. Go straight ahead ...

I know. Bye!

Ronnie was in such a hurry, he didn't listen to Tomo.

4 Thirty minutes later, when Tomo looked out of the window, Ronnie was going left, right, left, right.

I can't find the store.

Ronnie didn't listen to my directions! Now we won't have any rice for dinner.

5 Later, Tomo and Ronnie were making models of supersonic jets. Ronnie finished his in five minutes.

Finished! But what's wrong with my jet?

That was fast!

6

Look!

Will you teach me?

Yes, of course.

Ronnie and Tomo worked slowly and carefully. Ronnie followed the instructions, and his model was great!
