

Sort and drag the work of mercy in corporal and spiritual. Write the names.

Feed the hungry	Give drink to the thirsty	Give alms to the poor	Visit the prisoners	Shelter the homeless	Visit the sick	Bury the dead.
Praying for the living and the dead.	Forgiving injuries.	Teach the ignorant	Correct those who make mistakes.	To give good advice to those who need it.	To comfort the sad	To bear patiently those who wrong us.
