

1 Complete the sentences by inserting the adverbs.

- 1 The building I want to move into was bought by a developer.  
It's going to be renovated before I move there. (certainly)
- 2 The construction team isn't going to begin work until next month. (probably)
- 3 The supporting walls are already up. The developers will complete the building soon. (likely)
- 4 The developer is drawing up his plans now. He will send me the apartment plans on Friday. (maybe)
- 5 I will help you with your architecture homework now. (definitely)
- 6 Joe is off from work on Friday. He will help you study for the architecture test. (perhaps)
