READING COMPREHENSION

A) Weekend Plans.

Emma and her family are going to have a busy weekend. On Saturday morning, Emma's parents are going to clean the house and do some gardening. Emma is going to visit her best friend, Sarah, and they are going to study for an upcoming test. In the afternoon, the family is going to have a picnic in the park and enjoy the sunny weather. On Sunday, Emma's brother, Tom, is going to play in a soccer match. Emma and her parents are going to cheer for him. After the game, they are going to have lunch at their favorite restaurant. It's going to be a fun and active weekend for everyone!

Answer the questions with TRUE or FALSE.

1. Emma's parents are going to relax all day on Saturday.
2. Emma is going to visit Sarah to study for a test.
3. The family is going to have a picnic on Saturday afternoon.
4. Tom is going to play soccer on Sunday morning.
5. The family is going to stay home after the soccer game.

B) School Project.

Next week, Jake and his classmates are going to start a new science project. They are going to build a model of a volcano and explain how it erupts. Jake is going to bring clay and paint to school, and his friend, Mia, is going to bring the materials for the lava experiment. The class is going to work in groups, and everyone is going to contribute to the project. Their teacher, Mr. Smith, is going to help them with the explanations. Jake is excited because they are going to present the project to their parents on Friday. He hopes everything is going to work perfectly!

Answer the questions with TRUE or FALSE.

1. Jake and his classmates are going to work on a history project.
2. Mia is going to bring the materials for the lava experiment.
3. Mr. Smith is going to help the students with the science project.
4. The class is going to work individually on the project.
5. Jake is going to present the project to his parents on Friday.
