A week in the life . . .

Hello. My name is Jonathan and I'm 28 years old. I have always liked gaming, so I am lucky because I design computer games for a living. I ride my bike to my office three times a week, but on the other two days I work from home.

In my free time I enjoy playing sports. I hardly ever go to the gym, but I usually go swimming on Saturdays, and I play basketball once a week.

I also really like movies and go to the movie theater every so often. I normally watch action movies, but now and then I watch a horror movie, as long as it isn't too scary!
