Hello! I'm Kate Stuart. This is my normal Friday at school. I start school at 9:00 with a double lesson of English. I'm a lucky girl because English is my favourite school subject. Then, I have a fifteen minute break. I usually talk with my friends on the playground. Then classes start again at a quarter to eleven with Maths. After Maths, I have got PE and then Music. Lunch-time is between five past one and half past two. I always eat lunch at the school canteen. In the afternoon, I have a double lesson again: Art. I hate Art, because I can't draw or paint. Classes finish at four o'clock. I usually do my homework in the library. I love our library. It's very big, comfortable and it's got lots of books and computers. Then it's the WEEKEND!
