

The Nights
By Avicii

Listen and complete the song with the words from the box.

Once upon a younger year
When all our shadows disappeared
The 1. inside came out to play
Went face to face with all our fears
Learned our 2. through the tears
Made memories we knew would never fade.

One day my father, he 3. me
"Son, don't let it slip away"
He took me in his arms, I heard him 4.
"When you get older
Your wild heart will live for younger days
Think of me if ever you're afraid".

He said: "One day you'll leave this world 5.
So live a life you will remember"
My father told me when I was just a child
"These are the 6. that never die"
My father told me.

When thunder clouds start pouring down
Light a fire they can't put out
Carve your 7. into those shining stars
He said: "Go venture far beyond the shores
Don't forsake this life of yours
I'll guide you home, no matter where you are".

One day my father, he told me
"Son, don't let it slip away"
When I was just a kid, I heard him say
"When you get older
Your wild heart will live for younger days
8. me if ever you're afraid".

He 9. : "One day you'll leave this world behind
So live a life you will remember"
My 10. told me when I was just a child
"These are the nights that never die"
My father told me.

"These are the nights that never die"
My father told me
My father told me.
