A Plant Needs...

A plant needs soil. A plant needs soil.
Hi, ho! Here we go! A plant needs soil.

A plant needs water. A plant needs water.
Hi, ho! Here we go! A plant needs water.

A plant needs the sun. A plant needs the sun.
Hi, ho! Here we go! A plant needs the sun.

Now we watch it grow. Now we watch it grow.
Hi, ho! Here it goes. We watch it grow and grow!
