Welcome back to Sports Radio. I'm at the Olympic stadium, watching the 100-meter race. There are three runners in the race. On the left is Hom Na from (1) \_\_\_\_\_, in (2) \_\_\_\_\_, and then two runners from (3) \_\_\_\_\_ — Agnes Callas from (4) \_\_\_\_\_ and Hannah Weber from (5) \_\_\_\_\_.

And the race has begun! The (6) \_\_\_\_\_ runner is in front, but ... oh, wait. Now the (7) \_\_\_\_\_ runner has moved to the front. They are very close. And here comes the (8) \_\_\_\_\_ runner, moving as fast as she can. Excellent work. And it's Greece first, Thailand second, and Germany third.

**WHAT CAN YOU DO?** Color the stars.

I can listen and make inferences. ★★★★★

I can listen and paraphrase. ★★★★★
