READING COMPREHENSION

Read the story below and then answer the comprehension questions on the next page.

The morning sun peered over the horizon, casting a warm glow across the misty meadow. Birds chirped and squirrels scampered as the aroma of hot cocoa filled the crisp air. Tents dotted the landscape, each a home away from home. The joys of camping were evident as families and friends came together around a crackling fire, sharing stories and roasting marshmallows. The simplicity of life in the great outdoors brought a sense of peace and contentment. As night fell and stars filled the sky, the sounds of laughter and whispered conversations echoed through the forest. Camping was a reminder of the beauty of nature and the joy of spending time with loved ones.
