I have a lot of friends there and I enjoy studying. My best subject is Geography, probably because it's the easiest too! My most difficult subject is Maths - I'm terrible and I don't like my teacher. I love playing sports, especially basketball. I'm the tallest player on the school team and I usually play really well. It's the happiest part of my day. My coach says that one day I could play professional basketball! At the weekend, I spend a lot of time with my friends, Ralf and Kurt. We often play football in the park and when it is rainy, we go to the sport center. Here we usually play table tennis or go swimming. At home, I usually listen to Pop music or read magazines and books. I also surf the Internet or play computer games – but not always! However, young people at my age live on several public sites like Facebook or Twitter! I think they should make real friends outside. In the evenings, I sometimes watch TV.
