### "The Study Group"

- **Sarah:** We must prepare well for this exam. I think it's going to be difficult.
- **David:** Yes, definitely. We must also make a schedule to divide up the topics.
- **Sarah:** That's a good idea! I would bring my notes from last semester if that helps.
- **David:** That would be helpful, thanks! I could also bring some practice exams that I found online.
- **Sarah:** Great! And I think we must study for at least three hours each day until the exam.
- **David:** Agreed. Would you like to study together at the library tomorrow?
- **Sarah:** Yes, I'd like that. Let's also bring snacks. Studying is hard work!

- **Lucas:** Yes, and I would suggest bringing a flashlight too, in case we stay out late.
- **Emily:** Good idea! I would also pack some extra food, just in case we get hungry.
- **Lucas:** We must also let someone know where we are going, for safety.
- **Emily:** Agreed. Would you like to go over the route together before we leave?
- **Lucas:** Yes, I would feel more prepared if we did that. And we must check the weather forecast too!
