My Caribbean Cruise

Two years ago, I went on a seven-day cruise around the Caribbean. I travelled with my aunt, uncle and cousin, Tommy. We loved it! It was our first time on a cruise and it was great. The ship was so big! There were souvenir shops, two swimming pools and a sports centre. There were also five restaurants. They all had delicious food. I ate a lot of fish that week! The only thing I didn't like was the bathroom in our room. It wasn't very big, you see.

The ship stopped at two different islands. Both islands were beautiful and had amazing beaches. It was hot and sunny almost every day, so we tried lots of water sports. On one island, Tommy and I went scuba diving. There, we saw colourful fish and some sea turtles. On the last day, we even saw some dolphins. We couldn't believe it! That holiday was the perfect way to relax, and it was great fun too.
