

The Ant and The Grasshopper

Once upon a time, the grasshopper was playing his guitar while the ant worked hard to gather food.

The grasshopper laughed at the ant. The ant said that the grasshopper should gather food to the winter but the grasshopper did not worry about it because he had some to eat.

Winter began. The grasshopper felt cold and could not find anything to eat. He went to the Ant's house. The ant gave him food.

We might not waste much time just for having fun. However, we have to prepare ourselves for the future.
