For each question, choose the correct answer.

The young people below all want to do art courses during their school summer holidays.

On the opposite page there are descriptions of eight art courses.

Decide which art course would be most suitable for the people below.

6 

Asha wants to do an art course that also includes photography and has an exhibition of students' work. She'd like to stay at the place where the course is held.

7 

Jack can only attend on weekdays and would like a course which focuses on painting people. He'd like to learn about the lives of famous artists.

8 

Humera would like a course that is run by a professional artist where students learn how to paint animals. She can only go to classes in the morning.

9 

Morio would like to learn how to make sculptures as well as paint, and needs advice on buying equipment. He wants a course which includes trips to various places so students can paint them.

10 

Giulia wants a course that teaches her about painting landscapes. She'd like to learn about paintings from other countries and go on trips to galleries to look at professional artists' work.

Summer art courses

A **Venture Art School**
You'll learn about art from many countries on our summer course, with a focus on creating pictures of wildlife. The teacher is well-known painter Jeremy Silk, who will guide you through all you need to know about art. Runs weekdays only from 9.30 to midday for a whole month in the summer.

B **Artist's Dream**
This year's summer course is run by professional painter Sally Green and well-known photographer Mike Riley. They're the perfect people to teach about their own special subject. The students' accommodation at the college is comfortable and cheap. Parents mustn't miss the end-of-course show of their children's amazing art.

C **Tempest Art Summer Course**
Situated in a huge house in some of the country's finest landscapes, there's nowhere better to learn about painting the natural world than Tempest Art. Our students stay in the house, as well as learning there, and can choose to concentrate on creating pictures or sculptures of people, places or animals.

D **Brushwork**
Our summer course is for anyone wanting to know about art from around the world. Artist and teacher Kate Figgis will teach you everything, from choosing the best brushes and paper, to creating perfect pictures of the local countryside. The price includes visits to see several exhibitions by well-known painters.

E **Palace Art School**
Students just love having the opportunity to paint scenes in the city and countryside on our many half-day trips. Study the work and lives of artists such as Picasso and Pollock and be part of your own exhibition too, which friends and family are welcome to attend. Classes are 9 a.m. to noon daily.

F **Riley's Art Academy**
If it's scenes from the local countryside you'd like to create, in paint or as sculpture, then Riley's is for you. We'll take you to some of the most beautiful places in the region to do it. All paints, brushes, etc. are provided, but we'll tell you which ones are best to get for you to use at home.

G **Xero's Art School**
Whether it's photography, painting, drawing or sculpture you love, our summer school will provide you with what you want. Learn how to paint or photograph people – or perhaps animals are more your thing. Weekly trips to galleries are included. Classes run from late morning to 5 p.m., seven days a week.

H **Holly Granger's Art College**
At Holly Granger's, we concentrate on painting the human face and body. Our summer school also covers other topics, from finding out about the greatest painters ever to studying international art. Classes are both mornings and afternoons, five days a week, with weekends free.
