

"Cure For Me"

I run from the [redacted]
The fuel on the fire
I know I created myself
I know I can't [redacted]
The sad days and bad nights
But I never asked for your help

You got hurt
No, we don't belong together
So you took the love from my [redacted]
Into the arms of yours

But I don't need a cure for me
I don't need it
No, I don't need a cure for me
I don't need it
No, I don't need a cure for me

I don't like the [redacted]
The misapprehensions
About our nature in love
The [redacted] teachers
Are no use for creatures
Who knows how to play with the gods?

You got nerves but they never show
Unless they hurt, so you blamed it all
On my love, the [redacted]
Heart I got

But I don't need a cure for me
I don't need it
No, I don't need a [redacted] for me
I don't need it
No, I don't need a cure for me
I don't need it
I don't need it
