

## My Daily Routine!

Hello! My name is Emma. I am 14 years old, and I live in England. Let me tell you about my daily routine from Monday to Friday. I wake up at 7:00 in the morning. First, I brush my teeth and wash my face. Then, I get dressed. I wear my school uniform: a white shirt and a blue skirt. After that, I eat breakfast. I usually have toast, eggs, and orange juice.

At 8:00, I leave for school. My school is near my house, so I walk there. Classes start at 8:30. I study English, math, science, and art. My favorite subject is science because I like experiments!

At 12:30, we have lunch at school. I eat with my friends in the cafeteria. We laugh and talk a lot. After school, I go home at 3:30. When I arrive, I do my homework. Then, I relax. Sometimes I watch TV, and sometimes I read a book. In the evening, I have dinner with my family at 7:00. We eat together and talk about our day. After dinner, I take a shower and prepare my bag for the next day.

Finally, I go to bed at 9:30. I like my routine because it keeps me busy and happy!
