

**TAYLOR SWIFT: I Wish You Would**

It's 2 AM, in your car

Windows \_\_\_\_\_, you pass my street, the memories start

You say it's in the \_\_\_\_\_, you drive straight ahead

You're thinking that I \_\_\_\_\_ you now

'Cause you still don't know what I never said

**CHORUS:** I \_\_\_\_\_ (5 words)

Wish I'd never hung up the phone like \_\_\_\_\_

I wish you \_\_\_\_\_ that I'll never forget you as long as I live

And \_\_\_\_\_ (5 words) here, right now

**It's all good, I wish you would (2x)**

It's 2 am, in my room

Headlights pass the window pane, I \_\_\_\_\_ of you

We're a crooked love, in a straight line down

Makes you want to run and hide

Then it makes you turn right back \_\_\_\_\_

**Chorus**

You always knew how to push my buttons

You gave me everything and nothing

This mad, mad love makes you come running

To stand back where you stood

I wish you would, I wish you would

I wish you would, I wish you would

...
