1. Find the song *This Used To Be My Playground* by Madonna in the Internet. Listen to and read the extract. Pay attention to the pronunciation of **used to**.

This used to be my playground, this used to be my childhood dream, This used to be the place I ran to, whenever I was in need of a friend, Why did it have to end? And why do they always say "Don't look back"?
Keep your head held high, don't ask them why because life is short, And before you know, you're feeling old and your heart is breaking, Don't hold on to the past, well that's too much to ask.
This used to be my playground, this used to be my childhood dream, This used to be the place I ran to, whenever I was in need of a friend, Why did it have to end? And why do they always say "No regrets"?
