**V. Read the following passage and choose the correct answer to each question. (1 p)**

Artists are people who use materials to create things. Artists make art. There is art in museums. There is art on city streets. There is art on sidewalks and walls. Some art is as small as a thumbnail. Some art is as large as a tall building. Creative things made by human hands can all be called “art.”

Some forms of art are drawing, painting, pottery, photography, designing clothes and buildings, and sculpting. Artists use many **materials** for their art. For drawing, artists use pencils, pens, and crayons. Painters use different types of paint, such as watercolor and oil-based paints. Potters and sculptors use clay. Some sculptors also use metal and wood. Clothing designers use fabric. Architects, people who design buildings, plan their designs on paper or computers. Then the buildings are made with metal and wood. Artists are people who express themselves through their work. Art makes the world a beautiful place. Artists are free to do what they want. We are free to decide whether we enjoy it or not.

31. According to the passage, all creative things that humans make can be called \_\_\_\_\_.  
A. buildings    B. painting    C. clothes    D. art
32. Why does the author most likely list the materials that different artists use?  
A. to help the reader learn what is art and what is not art  
B. to show how similar all forms of art are to each other  
C. to provide a complete list of all materials used in art  
D. to help show the differences between forms of art
33. What can be concluded from the statement, “Artists are people who express themselves through their work”?  
A. A work of art can show you something about the person who made it.  
B. Artists only make things which they can sell for money.  
C. A work of art depends more on the materials used than the person who made it.  
D. Artists make things for fun but do other things for work.
34. What does the word ‘materials’ in paragraph 2 mean?  
A. people that help you with something  
B. types of paper  
C. items you need to make something  
D. ideas that help you decide what to make
35. This passage is mostly about \_\_\_\_\_.  
A. how art can be as big as buildings  
B. artists and what they make  
C. the similarities between sculptors and artists  
D. people who work with their hands
