

Drunk Text, Henry Moodie

5th of November

When I _____ (walk) you home

That's when I nearly _____ (say) it

But then _____ (say) "Forget it" and _____ (freeze)

Do you remember?

You probably don't

'Cause the sparks in the sky

_____ (take) a hold of your eyes while we _____ (speak)

Yesterday, I _____ (drink) way too much

And _____ (stay) up too late

_____ (start) to write what I wanna say

_____ (delete) the message, but I still remember it

_____ (say)

I wish I _____ (be) who you drunk texted at midnight

Wish I _____ (be) the reason you stay up 'till 3

And you can't fall asleep

Waiting for me to reply

I wish I _____ (be) more than just someone you walk by

Wish I _____ (not to be) scared to be honest and open

Instead of just hoping

You'd feel what I'm feeling inside

April the 7th
And nothing has changed
It's hard to get by
When you're still on my mind every day
Sometimes I question
If you feel the same?
Do we make stupid jokes?
Trying to hide that we're both too afraid to say
I wish I _____ (be) who you drunk texted at midnight

Wish I _____ (be) the reason you stay up 'till 3
And you can't fall asleep
Waiting for me to reply
I wish I _____ (be) more than just someone you walk by
Wish I _____ (not to be) scared to be honest and open
Instead of just hoping
You'd feel what I'm feeling inside
Oh, and here we go again,
Destroy myself to keep a friend
Hiding away 'cause I _____ (be) afraid you'd say no
I wonder if I cross your mind
Half as much as you do mine
If I tell you the truth
What will I lose?
I don't know
I wish I had sent you that drunk text at midnight
I _____ (be) just scared it would ruin our friendship
But I really _____ (mean) it
I wonder how you would reply
