

TA7. Unit 4. Music and arts – Reading 2

Exercise 1: Read the following passage and answer the questions.

Music and arts have been part of human culture for centuries. People enjoy different forms of art, such as **street painting**, **water puppetry**, or listening to **classical music**. While some prefer modern genres like **pop music**, others find joy in **folk music** that connects them to their traditions. Art venues such as **concert halls** and **art galleries** are popular places to enjoy artistic performances or view **art collections**. Many individuals also participate in artistic activities like learning to **play musical instruments** such as the piano or cello, while others explore creativity by **taking photos** or painting. Art is not only for enjoyment but also helps us understand history and emotions through the works of **artists**, **poets**, and **composers**.

Questions:

1. What is one example of a traditional art form mentioned in the passage?
 - a) Pop music
 - b) Water puppetry
 - c) Playing sports

Exercise 2: Read the following text and decide if the statements are True (T) or False (F).

Every year, numerous **art exhibitions** and **music contests** are organized globally. At these events, talented **musicians**, **artists**, and **poets** showcase their skills. While some focus on traditional **folk music**, others perform **classical music** in prestigious **concert halls**. Many young people take an interest in **pop music** or explore **street painting** as a form of self-expression. Moreover, art tools like a **paintbrush** are essential for creating portraits or other works of art. Whether through music, painting, or photography, people find unique ways to express themselves.

Statements:

1. Music contests only focus on pop music.
2. Concert halls are venues for classical music performances.
3. Poets often use paintbrushes to create their art.
4. Street painting is described as a form of self-expression.
5. Art exhibitions showcase works of art by talented individuals.
6. A paintbrush is used for creating portraits.
7. Young people are only interested in traditional folk music.
8. Photography is mentioned as a form of artistic expression.
9. Prestigious concert halls host art exhibitions.
10. Artists and musicians express themselves in unique ways.

Exercise 3: Match each sentence fragment in Column A with its correct continuation in Column B.

Column A:	Column B:
<ol style="list-style-type: none"> 1. Classical music is often performed... 2. Street painting allows artists... 3. Art galleries often feature... 4. Musicians and composers create... 5.
