I. Read the story below and draw a line to match the person and the health problem !

Today, many of my friends are absent. They cannot go to school. The first one is Beni. Beni has a sore eyes. He played with his phone too long and made his eyes hurt. Next is Nuel. He has a cold. He caught in the rain on her way home yesterday. The third one is Yoga. Yoga has a headache because he slept late at night. My best friend Siska is absent because she has a stomachache. She ate a bowl of spicy noodle. It was too spicy for her. The last one who are absent is Bobi. Bobi has a toothache becuase he ate candies and chocolates yesterday. I hope they are all get well soon and go back to school.
