UNIT 4 FUTURE TRAVEL – LESSON 5 SKILLS AND CULTURE**1** Look and read.

Traveling in the Future

Greeting

• Good afternoon, everyone!

• Close your eyes and think about the ways we will travel in 50 years.
Today I will talk about one kind of future travel: self-driving cars.

• Self-driving cars will do three things.

• 1. Self-driving cars will make driving safer because computers will drive for us.

• 2. Self-driving cars will give us time to read or study in our cars.

• 3. Self-driving cars will bring food and other items to our houses.

• I think that self-driving cars will make our city a safer and happier place! Thank you!

2 Read again. Then answer the questions with a partner.

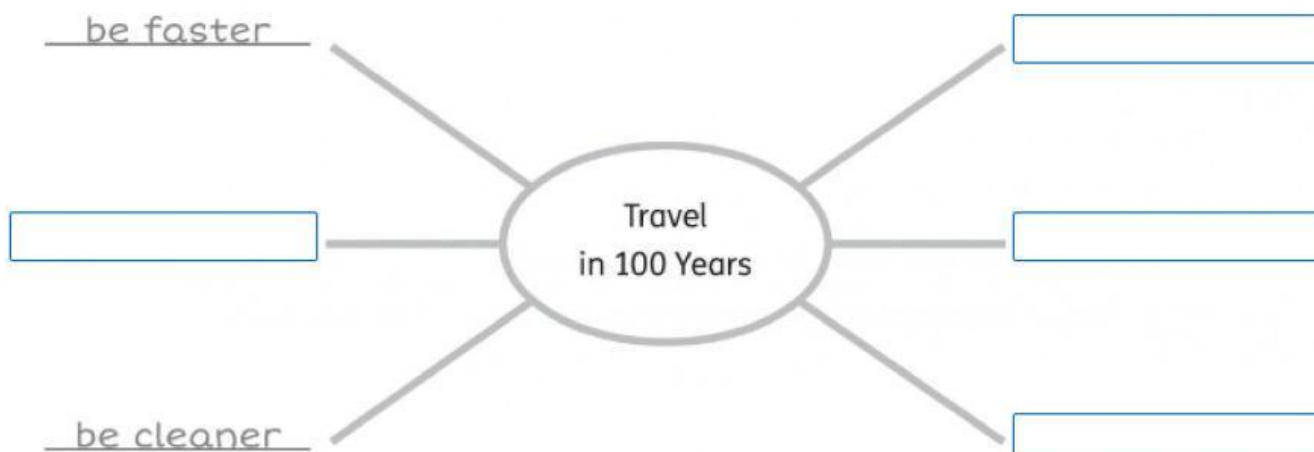

- 1 What will drive our self-driving cars?
- 2 What can people do in self-driving cars?

3 Read. Then write the labels in **1**.**How to Write a Speech**
