Ellen: Hi, Peter. How is your new house?
Peter: Great! It's a lovely house. I love it !
Ellen: Is it a big house ?
Peter: Well, it has three floors: the basement, the ground floor and the attic. On the ground floor, there's a living room, a dining room, a kitchen, two bedrooms and two bathrooms. And there are lots of windows, so it's very sunny. The only inconvenient is that I must share my bedroom with my sister.
Ellen: Sounds great! Is there a garage? And a guest room ?
Peter: No, there isn't a guest room. Our guests can sleep in the living-room on the convertible sofa. But there is a garage and there's a pool, too. And a balcony!
Ellen: Wow! When can I visit?
