

Worksheet

Reading

1. Read Anna's blog post.

Hi! My name's Anna, and I live in New York City with my parents and my two sisters. I go to a school near my home. I get up at 6:00 in the morning, and then I take a shower, have breakfast, and do my homework. School starts at 8:30, and my first class is at 9:00 – usually math or English. We have four classes in the morning, and then we have our lunch. After lunch, we have more classes. School finishes at 3:30, and I usually go home and get ready for my after-school activities. On Mondays and Wednesdays, I play tennis, and on Tuesdays, I play soccer. I like sports, but my sisters don't. They like books and computer games. On the weekend, I often go out with friends, and then it's Monday again!
