

# The Dream Weaver's School

Student's name: \_\_\_\_\_

**Instructions: Read the prompt next to each of the kids and draw a line to the correct clock**

Its 11:30 am and Kristi is eating lunch. Her dad said they would build a sandcastle together in 40 minutes. Draw a line to the clock showing what time they will begin building.

Its 9:00 am and Brandon invited Amelia to ride jet skis in one hour and 15 minutes. Draw a line to the clock showing what time they will begin their adventure.

Its 1:35 p.m. and Robert has been collecting seashells for 15 minutes. Draw a line to the clock showing what time he began looking for shells.
