

GAME: pronunciation of final -s

1. Revise the pronunciation rules:

- Words ending in /s/, /z/, /ʃ/, /ʒ/, /tʃ/, /dʒ/ → add /ɪz/
- Words ending in /p/, /t/, /k/, /θ/, /h/, /f/ → add /s/
- Words ending in other sounds → add /z/

2. Game instructions:

- Beginning in one of the two columns under /ɪz/, click on **all the consecutive words** (vertically, horizontally or diagonally) that are pronounced with the sound /ɪz/ to find the correct path to one of the two words ending in /ɪz/ in the last line.
- Copy this word to the right of /ɪz/.
- Then do the same for /s/ and /z/.
