their accounts. When the volunteer reaches the age when he or she needs help and support, he or she can use the "Time Bank". This time, another young volunteer will come to look after them. A time bank is used to record the amount of time spent providing the service. This service could include IT services, babysitting, hairdressing, gardening, nursing, tutoring, or any other time-consuming job. Other countries have begun to apply this system apart from Switzerland. The UK has adopted the "time bank" plan, and Singapore is considering it.
