## c. Present simple vs Present Continuous.

	Present simple	Present Continuous
Form	It always <b>rains</b> . My sister <b>works</b> in a bank. What <b>do you</b> usually <b>wear</b> to work?	Look, it's <b>raining</b> ! Today she's <b>working</b> at home. What <b>are you wearing</b> now?
Use	We use the present simple to say what we usually do, or things that are normally true.  We use the present simple with adverbs and expressions of frequency, e.g. always, often, once a week, etc.	We use the present continuous to say what is happening now.  We use the present continuous with at the moment, now, today, this week, etc.
