

**A. Read the text and answer the questions below. (10)**

**Adventurous Jake**

Jake is 13 years old and he lives in a small city in Chile. He has got a big family: two brothers and three sisters. He likes playing American football with his friends in the park and reading adventure books.

In the morning, Jake goes to school by bus and he has football practice after school. Then, he does his homework and helps his parents with the housework. In the evening, he watches his favourite series on Netflix or plays video games with his dad.

Last summer, he went on an exciting trip to the mountains with his family. He climbed and went on long walks with his brothers and sisters. He saw colourful birds and beautiful animals. It was an incredible experience!

Jake is very excited about next Saturday. He is planning a fun day with his friends. In the morning, they are going to visit the local museum of History and learn about old civilizations. After that, they are planning to have lunch in a restaurant and play football in the park. Jack wants to score some goals!

1. Where does Jake live?

---

2. How does Jake go to school?

---
