

The Fox and the Rabbit

One day in the forest a fox chased after a rabbit.

The rabbit hid behind a tree and the fox kept running.

"Where are you rabbit?" called the fox, "I want to be your friend."

The rabbit knew that this was one of the fox's tricks so he called, "I'm over here next to the bee hive."

The hungry fox raced to the bee hive but there was no rabbit....only a big swarm of bees.

The fox sped off as fast as he could, with the bees buzzing right behind him.
