

Person A: Hi! What are you doing now?

Person B: Oh, I ____ (be) studying for my exam now. I'm trying to focus, but it's hard.

Person A: I understand! I ____ (be) working on a project now, so I'm also feeling busy. What subject are you studying?

Person B: I ____ (be) studying history. I'm reading about ancient civilizations now. It's interesting, but there's so much information!

Person A: That sounds like a lot! I'm writing an essay now about the environment. It ____ (be) taking me forever!

Person B: Yeah, writing essays can be tough. But don't worry, you'll finish soon. What's your essay about?

Person A: It's about climate change. I'm doing some research now. How about you? Are you enjoying history?

Person B: I ____ (be), but I'm feeling a little tired now. I think I'll take a break soon. Maybe I'll have a snack.

Person A: That's a good idea. I ____ (be) taking a break now, too. Let's grab coffee later?

Person B: Sounds great! I'm looking forward to it now.
