

Revise your answers before the teacher corrects them. You will get:

. Up to **1 point** related to the PLC for:

- the complete justification of the true and false sentences (T/F, inverted commas and line numbers)
- using full sentences to answer the questions and - writing the date in English.

- Up to **9 points** for the **right answers**

**READING (10 POINTS)**

MARK:

**1 RAYCAN HOME APPLIANCES**

Is it time to replace your washing machine? Purchase a new Raycan washing machine, and your clothes and towels will always look fresh and clean. Your new machine won't waste water or electricity. A 15-minute wash in cold water will make your clothes perfectly clean!

**2 White Smile Toothpaste**

Are you afraid to smile? You'll want to show people your teeth if you start using White Smile toothpaste! White Smile will give you cleaner, whiter teeth and a beautiful, confident smile. Also, it has got 100% natural ingredients, so you won't damage your teeth with strong chemicals. Buy White Smile!

**3 NEWGATE RECYCLING CENTRE**

Are you going to throw out old clothes? Contact Newgate Recycling Centre instead, and you'll reduce waste and help to preserve the environment. We collect and recycle clothes, towels, blankets and curtains. On Tuesday 10th May, we're coming to your area, so call us at 01632 960696 and we'll collect your items.

**4 Colburn Wildlife Society**

Do you want to volunteer? You can join Colburn Wildlife Society and help the environment. Last year, the City Council cut down 200 trees to build a shopping centre. We want to replace those trees, so during July and August, we're planting a forest next to Ryden Park. The municipality is giving us 6,000 young trees for the project. It will be hard work, so bring food and water, old clothes, garden gloves and boots.

For more information: Colburn@xjqnet.com

**1. Write True or False. Copy the sentences that helped you answer.** (6 points)

1. You don't need to use hot water when using a new Raycan washing machine.
