Die with a smile - Bruno Mars & Lady Gaga

Party -	Tomorrow	- Smile	-	Dream	-	Night	-	World

I just woke up from a _____
Where you and I had to say goodbye
And I don't know what it all means
But since I survived, I realized

Wherever you go, that's where I'll follow
Nobody's promised tomorrow
So I'ma love you every night like it's the last _____
Like it's the last night

If the _____was ending,
I'd wanna be next to you
If the party was over and our time on Earth was through
I'd wanna hold you just for a while
And die with a _____
If the _____ was ending, I'd wanna be next to you

Woo-ooh

Ooh, lost
Lost in the words that we scream
I don't even wanna do this anymore
'Cause you already know what you mean to me
And our love's the only war worth fighting for

Wherever you go, that's where I'll follow
Nobody's promised _____
So I'ma love you every night like it's the last night
Like it's the last night

If the _____ was ending, I'd wanna be next to you
If the _____ was over and our time on Earth was through
I'd wanna hold you just for a while
And die with a _____
If the world was ending, I'd wanna be next to you

Right next to you
Next to you
Right next to you
Oh-oh-oh

If the _____was ending, I'd wanna be next to you
If the party was over and our time on Earth was through
I'd wanna hold you just for a while
And die with a _____

If the_____ was ending, I'd wanna be next to you
If the world was ending, I'd wanna be next to you
