MY NEIGHBOURHOOD

Read the text below and do the following activities:

I live in a small neighbourhood with my family. It's a quiet and peaceful place where everyone knows each other. In the morning, I always wake up to the chirping of birds outside my window.

My favourite park is just a few blocks away. It has a big playground area with swings, slides, and a sandbox. On weekends, I love going there to play with my friends. We also like to ride our bikes around the park and have picnics.

There's a small convenience store on the corner of my street where we can buy candy and snacks. The owners are friendly and always ask me how my day was.

There is also a library nearby, and my mum takes me there every week. I love to read books and spend time in the children's section.

Overall, I love living in my neighbourhood. There are plenty of fun things to do and great people to meet.
