B Раскройте скобки, используя глаголы в форме инфинитива или глаголы с окончанием *-ing*.

The two schools planned (1) _____ (play) the match on a Saturday night. But some girls were unhappy about the time for different reasons. One player wanted (2) _____ (go) out with her friends, one player had promised (3) _____ (have) a meal with her aunt, and another said she hated (4) _____ (play) in the dark.

One coach suggested (5) _____ (arrange) the game on the Friday, but the other coach refused (6) _____ (do) it because she had another game to go to. One player, who didn't like (7) _____ (argue), said they should stop (8) _____ (disagree). She said they should decide (9) _____ (cancel) the game, but nobody seemed (10) _____ (be) happy about that.

Finally, the two teams agreed (11) _____ (meet) on the Saturday because they all loved (12) _____ (play) basketball.

C Обведите правильный вариант ответа.

'The rules are very simple, you all know that. But Chris, please don't (1) **pick** / **to pick** up the ball – only the goalkeeper does that. So remember (2) **kick** / **to kick** the ball! I know everyone likes (3) **score** / **scoring** goals, but sometimes it's better to pass the ball to someone else. So, (4) **looking** / **look** for your team-mates! Everyone wants (5) **being** / **to be** a winner, and nobody enjoys (6) **losing** / **to lose**, so please (7) **be taking** / **take** my advice. (8) **Doing** / **Do** your best and you might win. I'm asking you (9) **to get** / **getting** out there and (10) **winning** / **win**!'
