

A Trip to the Beach

Hello, My name is Alice. Last weekend, I went to the beach with my family. We had a great time! We left early in the morning, and it was a sunny day. The weather was perfect for a beach trip.

When we arrived, we put our towels on the sand and relaxed. I enjoyed the sound of the waves and the warm sun. My sister built a sandcastle, and I played with my brother in the water. The sea was cold but very refreshing.

We had lunch at a small beach restaurant. I ate a sandwich, and my family had fish and chips. After lunch, we walked along the beach and took some pictures. There were many people, but it wasn't too crowded.

In the afternoon, we rented a boat and went on a small coastline tour. The view was amazing! The water was clear, and we could see fish swimming. My parents said it was the best part of the trip.

We stayed at the beach until sunset. The sky was orange and pink. It was so beautiful! I had a great time and can't wait to go back to the beach again.
