DRAGON: Please! Don't kill me! Please! Don't kill me!

POLLY: No! No! I want to be your friend! Here have some flowers.

DRAGON: Oh! Thank you. I like flowers.

POLLY: Yes, I like flowers but I like to play swords with flowers.

DRAGON: Oh me too! That was fun! Hey! Do you like jumping in puddles?

POLLY: Yes! Yes! That's my favourite game!

DRAGON: Great! Let's go! 1-2-3 inside, outside, inside on! splash, splash!

POLLY: Let's play tag! You are it!

DRAGON: That was so much fun! Do you want to be my friend?

POLLY: YES! Wait! No. I can't be your friend. You are a dragon. You eat people.

DRAGON: Eat people!? EWWW! I don't like to eat people, why do you say that?

POLLY: Because you have big teeth.

DRAGON: Yes for eating broccoli!

POLLY: And because you have big claws.

DRAGON: So I can tickle you!

POLLY: And you breathe fire!

DRAGON: No! I pretend to breathe fire! It's a game. Watch.

POLLY: That was fun!

DRAGON: So, now can we be friends?

POLLY: Yes! I'm so happy we are friends.

Wait! Do you promise you won't eat me?

DRAGON: That is so silly! Only if you promise to come back tomorrow.

POLLY: Yes, it's a deal. I'm going to tell Prince Percy that you're not scary. Bye!
