

SONG 3 - DANCING IS EASY

Dancing is easy.

Move your body to the beat.

Dancing is easy.

Raise your arms and stomp your feet.

Dancing is e-e-easy, dancing is fun.

Dragons like to fly like a plane.

But now I chug along like a train.

Move your body to the beat and stomp your feet.

Dancing is e-e-easy, dancing is easy.

Move your body to the beat.

Dancing is easy.

Raise your arms and stomp your feet.

Dancing is e-e-easy, dancing is fun.

I get dressed every morning.
and I make it a dance.

Shake your legs when you put on your pants.

Move your body to the beat and stomp your feet.

Dancing is e-e-easy, dancing is easy.

Move your body to the beat.

Dancing is easy.

Raise your arms and stomp your feet.

Dancing is e-e-easy, dancing is fun.

Move your body to the beat and stomp your feet.

Dancing is e-e-easy, yeah!
