

Прочитайте текст. Из каждой строки (B9–B18) выпишите ОДНО лишнее слово.

B9. Karl Ammann who is a Swiss-born photographer whose objective is to bring the world's
B10. attention to the murder of many endangered animals for their meat. It all have started
B11. when he went on a boat trip down the Congo River and was such shocked to see how
B12. widespread the sale of meat from wild animals was. It was an experience what he would
B13. not forget. Ammann uses each photographic images as a means of conveying his message,
B14. and his camera is his tool. He should stops at nothing to get the pictures he wants and
B15. uses a few variety of methods, including setting up a network of hidden cameras in the
B16. jungle, to catch hunters in the act of illegally killing lots wild animals. It is said that a picture
B17. is worth of a thousand words — and Ammann uses his photographs to put pressure on
B18. local authorities who are until now have been turning a blind eye to this phenomenon.
