

## "I'll Never Find Another You"

There's a new world somewhere  
They call the promised land  
And I'll be there  
If you will hold my hand  
I need you there beside me  
No matter what I do  
For I know I'll never find another you

There is always  
For each of us, they say  
And you'll be my someone  
Forever and a day  
I could search the whole world  
Until my life is through  
But I know I'll never find another you

It's a long, long  
So stay by my side  
When I walk through the storm  
You'll be my guide, be my guide  
If they gave me a  
My pleasure would be small  
I could lose it all tomorrow  
And never mind at all  
But if I should lose your love, dear  
I don't know what I'd do  
For I know I'll never find another you

But if I should lose your love,  
I don't know what I'd do  
For I know I'll never find another you  
Another you  
Another you
