The Talents of Sam, Mia, and Leo

Sam, Mia, and Leo are best friends. They each have unique talents that they love to share.

One sunny afternoon, they decided to have a talent show in the park.

Sam is excited because he _____ play the guitar. He practices every day, and his friends love to listen to him. However, when it comes to dancing, Sam _____dance very well. So, he asks Mia to help him.

Mia loves to draw. She _____create amazing pictures of animals and nature. She brings her sketchbook to the talent show. But, when it's time to sing, Mia _____sing in front of an audience. Leo offers to sing for her.

Leo is a great soccer player. He _____ play soccer and score goals easily. Everyone cheers for him during the game. However, Leo _____ cook delicious food, so he often eats at Sam's house.

At the end of the day, they all have fun sharing their talents and supporting each other. They realize that everyone has something special to offer!
