## WHAT DO YOU DO AT THE WEEKEND?

Read and choose the right option :

Hello! My name is Tom. I live in Manchester, in the UK. I love reading fantasy books and drawing pictures. My favourite book is Harry Potter! I usually draw pictures on Mondays and Wednesdays. I don't draw pictures at the weekend, but I play the piano on Sunday evening. On Saturdays, I sometimes visit my grandparents. They live in Liverpool. It's fun!

On Sundays, I watch films with my family and I make videos with my sister. She loves it!
